A thought for Lent by Laurie Renfrew

It's fashionable during Lent for people even to boast about what they are **giving up** e.g. sweets, a glass of wine or a new coat. But, how about **giving** instead of **giving up**? How can we, during a pandemic that has taken the lives of some of our best people, even think of giving up when our doctors, nurses, scientists who discovered the vaccine, work tirelessly to provide us with hope? They never gave up and lives were saved.

A man was leaving Milton Keynes Hospital close to midnight, so he asked a friend "Why are all the lights still on?" The reply he got was "The work here never stops, they keep on giving."

It is a good habit.

Give all you can, to all the people you can, in all the places you can, for as long as you can.

Easter Greetings by Alison Arnold

In consultation with the leadership team, I have agreed to organise an Easter Card initiative, if you would like to send an Easter card to someone listed in the Trinity Directory please get in touch with me, in return you too will receive a card.

Once I have a list of participants, I will make all the arrangements, and notify everyone involved where to send their card, this should be done by post to limit social interactions in line with current Covid restrictions.

If you would like to be involved but are not able to get out to post a card, please let me know. You can telephone your recipient on Easter Sunday instead.

I can be contacted by email at: ali.leighton@hotmail.co.uk or telephone 01525 370030 where you can leave a message if I am not at home. Please get in touch no later than Monday 22nd March. I am very much looking forward to hearing from you!
